Guidance	Action to prepare for your response
<p>Preparing your response to a suspected or confirmed COVID-19 case</p>	
<p>Prepare or update your business continuity plan to consider the impacts of an outbreak and potential closure of the workplace.</p>	<ul style="list-style-type: none"> • Identify the roles and responsibilities of employer and staff during outbreak. • Prepare for absenteeism of staff members required to quarantine or isolate. • Prepare for staff movement due to Centre closures during COVID-19. • Indoor Group Fitness classes move online and utilising social media platforms • Plans to communicate with customers, suppliers, stakeholders in the event of a positive case
<p>Prepare to identify close contacts and providing staff and visitor records to support contact tracing.</p>	<ul style="list-style-type: none"> • Determine what areas of the workplace were visited or used by the confirmed case by referring to records of staff attendance and visitors at the Centre. • Consult with DHHS on whether the Centre or part of the Centre is required to close for a short period to facilitate cleaning and enable contact tracing. • Provide details that will assist in contact tracing such as records of, staff rosters and up-to-date contact details for staff should they be required. • Provide details of visitor registrations should they be required
<p>Prepare to assess whether the workplace or parts of the workplace must be closed. Prepare to undertake cleaning and disinfection at your business premises.</p>	<ul style="list-style-type: none"> • Masks to be reinstated in the event of an outbreak. • Determine what areas of the centres were visited or used by the confirmed case by referring to records of staff attendance at the workplace. • Open outside doors and windows to increase air circulation and close off the affected area before commencing cleaning and disinfection. • Undertake cleaning and disinfecting of all areas that were used by the confirmed case. • Wider cleaning and disinfection of the Centre, paying particular attention to high-touch areas as may be advised by DHHS. • The Centre or part of the Centre as determined by DHHS will remain closed until completed.
<p>Prepare for how you will manage a suspected or confirmed case in an worker during work hours.</p>	<ul style="list-style-type: none"> • Staff who are identified to be close contacts of a person with coronavirus (COVID-19) by DHHS are advised to take a Covid-19 test and do not come to work for 14 days after their last close contact with the positive case. • Any staff member who tests positive for coronavirus (COVID-19) should remain at home in 14-day self-isolation until they have been notified by DHHS that they have met the criteria for release.

Guidance	Action to prepare for your response
	<ul style="list-style-type: none"> • During self-quarantine, the staff member should watch for symptoms and seek medical assessment and testing if they develop symptoms such as fever, sore throat, runny nose, shortness of breath or a loss of their sense of taste or smell.
<p>Prepare to notify workers and site visitors (including close contacts)</p>	<ul style="list-style-type: none"> • In the event of a confirmed case, an email and SMS Blast will be sent out to all staff, contractors, delivery drivers and members and visitors.. • Webpage and social media pages to be updated • Regularly update and manage contract tracing registers.
<p>Prepare to immediately notify WorkSafe Victoria on 13 23 60 if you have a confirmed COVID-19 case at your workplace.</p>	<p>WorkSafe must be notified immediately after becoming aware that:</p> <ul style="list-style-type: none"> • an employee, independent contractor, employee of the independent contractor, or self-employed person has received a confirmed COVID-19 diagnosis • the diagnosed employee, independent contractor, employee of the independent contractor, or self-employed person has attended the workplace within the relevant infectious period. • Infectious period means the date, being 14 days prior to the onset of symptoms consistent with COVID-19 or a confirmed COVID-19 diagnosis (whichever comes first), until the date on which the person receives a clearance from isolation from the Department of Health and Human Services. <p>WorkSafe COVID-19 reporting form</p>
<p>Prepare to re-open your workplace once agreed by DHHS and notify workers they can return to work.</p>	<ul style="list-style-type: none"> • If the case or cases are deemed an outbreak, DHHS will maintain active involvement throughout the course of the outbreak including providing advice on when the workplace can re-open or when the outbreak is considered resolved. • The management will work with DHHS to ensure that all appropriate preventative measures have been taken prior to reopening the business. • Following a coronavirus (COVID-19) case at a Centre, risk management controls and infection prevention measures are to be reviewed in order to reduce risk of further coronavirus (COVID-19) exposures.

I acknowledge I understand my responsibilities and have implemented this COVIDSafe plan in the workplace.
