The Equiculture Course Subsidy Application 21/22

Equiculture, short for equine permaculture is a holistic horse property management program.

It encompasses sustainable farm and pasture management techniques designed with equine welfare and natural behaviour in mind. The program is delivered digitally, with participants able to learn at their own pace. Fifteen modules teach participants all about healthy soil and pasture, managing weeds, mud and erosion, property design and layouts as well as managing for optimal equine health.

Mitchell Shire Council together with Melbourne Water are offering a discount to a limited number of landholders.

To obtain your discount code, you must fill in the application form. This discount code is required at the point of registering for The Equiculture Course, and discounts are given out on a first in basis. Discount codes will not be given our retrospectively.
