

# Group Fitness Class Descriptions

## Group Fitness Classes

**Bodypump:** the original barbell class that strengthens your entire body. Challenge all major muscle groups using the best weight-room exercises including squats, lunges, presses and curls (55 min).

**Boost:** test your endurance, improve your overall strength and cardiovascular fitness in a fast paced class. Save time and boost your results. (30 min).

**Bootcamp:** incorporating strength, power, cardiovascular, boxing and agility training to yield the most complete workout and comprehensive physical fitness.

**Boxing:** throw on some gloves and maximise your power, speed and endurance with high intensity boxing (55 min).

**Core:** strengthen and tone your Abs, whilst also building up your overall functional core strength. (30 min).

**Metafit:** a bodyweight training system that gets results! It is a functional and effective, metabolic workout that will change the way you train (30 min).

**Results:** With an intensity in between Bootcamp and Senior Strength, Results is designed to maximise fitness and strength of the mature aged member (45 min).

**Spin:** with a motivating playlist and instructor, this challenging, low-impact cycle class will rapidly improve your cardiovascular fitness and burn through calories (45 min).

**STRONG by Zumba:** combines body weight, muscle conditioning, cardio and plyometric training to burn calories and tone arms, legs, abs and glutes, all to the beat of original music (55 min).

## Wellbeing Classes

**Pilates:** build strength, flexibility and lean muscle tone using this mat based workout that emphasises body alignment, lengthening, concentration and control (55 min).

**Yoga:** this class incorporates controlled breathing, meditation, and a variety of postures and poses to promote health, relaxation, flexibility, balance and strength.

## Aqua Classes

**Aqua:** a fantastic water-based cross training class that uses the resistance of water, aquatic dumbbells and noodles. Offering a variety of exercise options to cater for a range of fitness levels this class will increase your cardiovascular fitness, burn fat and train your entire body (45 min).

## Teen Classes

**Teen Gym:** a structured gym program for teens aged 13 – 15 years to support healthy growth and development. These sessions are conducted in the gymnasium and are supervised by a gym instructor (90 min).

## Seniors Fitness Classes

**Senior Strength:** improve your function, mobility and strength in this low intensity program designed specifically for seniors (45 min).

**Gymtastic Seniors:** conducted in the gym, this circuit style class focuses on strength, flexibility, stability and posture using a variety of gym-based equipment and movements (55 min).

**Heart Smart:** A very low impact class for older aged patrons. Heart Smart focuses on cardiac rehabilitation, mobility and general strength building (45 min).

## Group Fitness FAQs

At Mitchell Shire Leisure Services, we offer a wide variety of group fitness classes every week, led by highly qualified fitness professionals. There is something to suit everyone. We do recommend that you check with your doctor before you commence any group fitness program.

### How do I book a class?

Pick up your class pass at reception on your way in to the centre. Class sizes are limited so get in early to avoid disappointment.

▲ Classes with low patronage that are at risk of being removed or changed next term if attendance does not increase. If you love a class and want it to stay, please bring your friends along.

### What should I bring?

Don't forget your membership card, towel and water bottle and be sure to wear appropriate gym attire so you can move freely at all times.

### It is my first class, what do I do?

Arrive 10 minutes early, pick up your class pass and get to know the instructor. Your instructor can help you set up your equipment, provide the assistance that you need and keep an eye out for you during the class.
