FORTNIGHTLY RECYCLING COLLECTION DAYS IN MITCHELL SHIRE:
**BIN TIPS**

> Always place your bin with the wheels facing away from the kerb
> Put your bin out the night before it’s due to be collected
> Try and leave half a metre between your bins and other objects
> Try not to place bins behind parked vehicles
> Don’t place bins under low hanging branches or power lines
> The truck won’t empty your bin if the lid isn’t closed
> Do not overload your bins. Overfilled bins won’t be emptied

---

**WHAT SHOULD I DO IF MY BIN IS NOT COLLECTED OR IS DAMAGED?**

Simply go to our website www.mitchellshire.vic.gov.au/reportit and complete the form or give our Customer Service team a call on (03) 5734 6200 and we can arrange for your bin to be emptied, or for the broken bin to be fixed.

Green Waste.

WHAT CAN I DO WITH GREEN WASTE?

Green waste can be dropped at one of our four Resource Recovery Centres (fees apply).

You might also like to try composting or starting a worm farm at home. These are great ways of putting your green waste and food scraps to work.

We run an annual subsidy program each spring, where residents can get a rebate on worm farms and compost bins. See our website for more information.
WHAT CAN I DO WITH HARD RUBBISH?
You can drop off hard rubbish at one of our Resource Recovery Centres (fees apply).

These items CAN be taken to Resource Recovery Centres.
